CLOSING DINNER

AT REFLECTIONS

Client Attendee Feedback

"The venue was awesome; the dinners were amazing (I ate too much as usual) and the presentation/discussion was thoroughly enjoyable (and trust me – they can be dry sometimes...lol)."

"We appreciate our partnership with USLAW and it's nice to spend time together when we're not "talking shop" all the time."

"USLAW really stands apart from others with providing clients legal education, networking opportunities and relationship building. I also appreciate the attention you have on our industry and always seeking ways to partner with your clients to maximize our defense and support tort reform across the country. We appreciate the network."

"I like the discussion format and the value of networking with my industry peers. These traits set the program apart from others and should be preserved."

"Great event as always."

"I'll dock them a point for the construction – but otherwise, a fantastic venue."

"One of the positives of small group meetings is it's much easier to find people you're looking to meet with or find."

"USLAW staff is always friendly and willing to assist."

"Super nice facility, great activities, and their staff could not be more accommodating. However, the location was rather remote and quite a distance from the airport."
